Mr Smith
Hellesdon Dental Centre
121 Middletons Lane
NR6 7TR

25 January 2012

Dear Mr Smith

I would like to enquire about the possibility of a work experience placement with your Dental Practice during the week 25 - 29 June 2012.

I am 15 years old and a student at Sprowston Community High School. I am studying GCSE's in English, Maths, Science, Geography, IT and Art.

I would like to work at the Hellesdon Dental Practice because I have always been interested in Dentistry and I am hoping to take a degree in Dentistry at Glasgow University when I leave school. I am fascinated by the different types of treatments available and the materials used in modern dentistry.

I have a paper round every weekday evening which I have been doing for nine months. I also help out at my Dad's garage on Saturday morning serving in the shop.

I am keen and eager to learn new ideas. I enjoy working with new people and communicating. My personal interests are taking part in school drama productions and reading. I also attend the Sea Scouts every Tuesday evening where I help out with the younger scouts.

You can contact me by email or my home phone number after 4pm.

I look forward to hearing from you.

Yours faithfully
