How to Book

Welcome

As we start the new academic school year it gives me great pleasure to welcome our new students, staff and adult learners to our site. I hope you all enjoy your time here. If you have any questions, please do not hesitate to ask. For those that are new to our site, a great starting point for gathering information is our school's website. It provides a whole host of information. We have a dedicated 'Community Engagement' section where you can find details on; Facility Hire, the Fitness Suite, Holiday Activities, Adult Education, Community Events and Clubs @ SCHS.

Visit: www.sprowstonhigh.org to find out more.

Community Survey

A few months back we released a 'Community Survey' to gauge local opinion on what you would like to see run at our site. Thank you to all those who completed and return the form by the 1st September 2011, to be entered in to our FREE prize draw. We will be making the draw and announcing the winner in the coming months, and will let you know the result in due course. If you did not have a chance to return the form and would like to have your say, we still welcome and value your comments, so please keep the forms coming. If you don't have a form, please let us know and we will send one to you.

Community Learning

We have been looking at the results of the 'Community Survey' and have started putting together a 'Community Learning Programme'. We hope to have a launch evening in November 2011 where by you will be able to visit our site, meet with tutors and sign up to forthcoming courses / clubs etc. We hope to have the first courses running towards the end of November / start of December 2011. Please keep an eye out for leaflets and brochures and don't forget to enrol in good time.

Would you like to be part of our Community Programme?

If you are a tutor, run a small business, or have a skill that you would like to pass on to others, we would love to hear from you. Please contact us using the details below.
