How to Book

Welcome to the fourth issue of Community Events. This is an e-newsletter designed to keep our community informed of what takes place outside of normal school hours. Please browse through the following pages and if you have any questions about any articles, or if you would like your club / business to be included in this e-newsletter, please contact the Community Events Coordinator.

Community Survey

As a community school we are always seeking new ideas for courses, clubs & events based on what you (our community) would like to see run at our school. We will be releasing a survey shortly where we will invite everyone to share their thoughts and ideas on what you would like to see run at your local school. In order to get an accurate reflection from a large population, we kindly ask that you pass on this e-newsletter to friends / family and colleagues and encourage them to continue to pass it on, so we can engage with as many people as possible.
