

Revision Timetable

Time slot							
Monday							
Tuesday							
Wednesday							
Thursday							
Friday							
Saturday							
Sunday							

- Decide how you want to break up your day, 30 minute slots or whole hours.
- You might want to write your timetable in pencil so it can be changed easily.
- Make sure you remember to take breaks.
- Be realistic, only write down what you think you can manage and don't worry if your friends' timetables are different to yours.
