Andrew John  
Headteacher

raised on the night. Combined with the non uniform day contribution the grand total is £2726!

A huge 'thank you' to Ms Wood and the Year 10 girls who were incredible from start to finish with their leadership and organisation of this excellent community event for a worthy cause.

**Help Us to Help Ella-Grace**

**Let's Have A Picnic**

**national family week**  
31 May - 6 June 2010

It may be cold and snowy now but just think of sitting on a warm May afternoon enjoying a family picnic as part of the National Family Week events this coming May. Sprowston will be hosting a fun-packed flagship picnic as part of the national celebrations, so make a date in your diary now.

**Year 9 Newsflash**

**Year 9 Preferences Evening**  
It is time for Year 9 students to think seriously about the courses they would like to follow from Year 10 onwards.

[Preferences booklet](#) (PDF, 153 Kb)

The deadline for options preference forms to be handed in to Form Tutors is 3 March 2010.

[Visit the Year 9 area to see more information about options](#)

There is an online tool to help with the complicated task of filling the options preference form. Many thanks to Mr Sexton for developing this useful tool.  
[Go to the online preferences tool>>](#)

**IMPORTANT NOTICES**

**SAM Learning Helps Get Better Exam Results**  
SAM Learning is now available in

Internet | Protected Mode: On

# SAM Demo

The screenshot shows a Windows Internet Explorer browser window displaying the SAM Learning website. The address bar shows the URL <https://www.samlearning.com/>. The page features a large 'sam LEARNING GO!' logo on the left. A central 'Login' form is overlaid on the page, containing the following fields and text:

- Centre ID:** NR7SC
- User ID:** 010198AS
- Password:** [masked with dots]
- SIGN IN** button

Below the login form, there are several promotional banners and text blocks:

- Free Trial:** A banner with the text 'Free Trial' and 'Click here for Spring Term offers'.
- Register for an Info Pack:** A banner with the text 'Register for an Info Pack'.
- Primary sam LEARNING:** A circular logo for 'PRIMARY sam LEARNING'.
- Award winning online service:** Text stating 'We are the award winning online service for student driven learning and personalised revision - call 0845 130 4160 to find out more'.
- Free APP sample activities:** Text stating 'Try our free APP sample activities NOW for the chance to win a subscription for your entire school!'.
- Professional judgement:** Text stating 'Included as part of your subscription Supporting APP.'

The browser's status bar at the bottom indicates 'Internet | Protected Mode: On' and a zoom level of '100%'.

# SAM Demo

The screenshot shows a web browser window titled "SAM Learning | My Homework - Windows Internet Explorer". The address bar displays the URL: <https://platform.samlearning.com/learner/learner-home/homework>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. A Favorites bar shows "SAM Learning | My Homework".

The main content area features a blue header with a "Close" button. Below it is a section titled "Energy Resources" with a "Please change your avatar" notification. The instructions state: "Type your answers in the boxes below. If the answers require drawing, use paper or print this page. When you have finished click on Mark My Work."

There are three question boxes:

- Q1**: Wood, coal and oil are known as Fuels.
- a**: All fuels are stores of? (1 mark)
- b**: How do we release energy from a Fuel? (1 mark)

On the right side, there is a "Time spent:" counter showing "09:53", a "Mark my work" button, and a "Print this page" button with a printer icon. The status bar at the bottom shows the URL: <https://platform.samlearning.com/content/exercise/107399/module/content/controlli>, "Internet | Protected Mode: On", and a zoom level of "100%".
