An investment in knowledge always pays the best interest.

Dear Parents, Guardians and Carers

The Year 11 Prom at Sprowston Manor never ceases to amaze me!

It has grown to represent a magnificent celebration of the children's development from when they joined the school into 'young adults'.

It was an absolute joy to witness last Thursday so many younger brothers and sisters, parents, friends of the family, grandparents and so on, make the evening such an occasion.

A huge thank you goes to Miss Wood, Mrs Betts, the tutors and the Student Prom Committee for making it happen and as for the 'Leavers Assembly - WOW!

Best wishes

Andrew John, Headteacher.

APPRENTICE TEAM HIRED

In a thrilling finale to the 2009 Sprowston Community High School Apprentice challenge the two teams 'Fired' and 'Fabulous 4' battled it out in assembly as they attempted to rebrand 'Sprowston Teacher' to a global market.

Fabulous 4 used the 1980's TV show The A Team as their inspiration with a fantastic film produced and edited by themselves and incorporating their A+ Team of Mr T, Miss Gregson, Mr Cordeaux and Miss Deary. The judges were impressed by the professionalism of their work.

They were however just pipped at the post by 'Fired' who presented Mr Sewell and Mrs Dawson in their new uniform as they convinced the audience that £500 a week was a reasonable amount to pay for a Sprowston Teacher who would raise standards and improve exam results in any school.

The powerpoints and video will be available to look at on the Website.

Both teams were brilliant and therefore Mr Sewell will be taking all 8 finalists to the Royal Norfolk Show on Weds 1st July. The full list of Royal Norfolk Show participants includes those nominated by the form tutors for their hard work and enthusiasm over the past year.....

YEAR 9 Summer update!

We are now 3 weeks into our bar-b-q challenge. At present 9SA are in the lead but it's very close! The challenge looks at all aspects of school life including good & bad news slips, attendance and relative performance factors in English, Maths and Science against the students' current performance level.

Each week the winning tutor group nominates a person to 'chill' out in the deckchair under the umbrella, in the assembly, as well as another person who has recently got a good news slip – snacks are provided for their refreshments!
