

## **National Apprenticeship Week**

### **Construction Training Specialists Ltd**

#### **OPEN DAY**

**Thursday 9<sup>th</sup> February 2012**

#### General apprenticeships talk:

- What is an apprenticeship?
- What kind of apprenticeships are there?
- Who are apprenticeships for?
- What will the training include?
- How much will I earn?
- How long does an apprenticeship take to complete?
- Where and how do I do my training?
- What are the benefits of becoming an apprentice?
- How can I find an apprenticeship?

#### Construction Apprenticeships offered by CTS:

- Site Carpentry
- Maintenance
- Brickwork
- General Construction (Groundworks)
- Painting and Decorating
- Fenestration (Window Fitting)
- Glazing
- Plastering
- Bench Joinery
- Plumbing

Workshop Tour: An opportunity to view the CTS training facilities and also our apprentices carrying out their day release and block release construction based training.

There are three sessions taking place throughout the day at: 10am, 12pm and 2pm. Please call CTS on 01603 610586 to make a booking by MONDAY 6<sup>TH</sup> FEBRUARY. Alternatively please email: [info@construction-training.com](mailto:info@construction-training.com)
