

PREFERENCE FORM- Guidance Notes

Completing your preference form can seem rather confusing at first. Use the following guidance to help you complete your selections accurately.

Firstly, decide which path is right for you

PATH A- All GCSEs

PATH B- BTEC and GCSEs

PATH C- Vocational courses, BTECs and GCSEs

PATH A- ALL GCSEs

1. Choose which block you would like to do your short courses in.
2. Choose which block you would like to do your extra GCSE in.

You can choose an extra GCSE from:

- An extra subject in block 4- Arts and Humanities
 - An extra Science by studying Triple Science
 - An extra Technology by studying Double Engineering
 - An extra Foreign Language
3. Complete your choices in each Block 1-4.

PATH B- BTEC

1. Tick which BTEC in the Path B box
2. Then decide which block you would like to do your short courses in.
3. Then complete Blocks 1 to 4 as for Path A, but you will only study 1 GCSE from Block 4 (but choose 3 in order of preference)

PATH C – VOCATIONAL

1. Choose 1 course from the Path C box
2. Tick 4 in order of preference from the GCSE/BTEC box
3. Then complete Path A or B as a back up plan.

Make sure you and your and your parents have signed and dated the form
