## *Helping young people with the cost of education*

The following 'Questions and Answers' may help you if you are thinking of applying for a grant:

### **Who can apply for a grant?**

To apply for a **school uniform grant**, you must be on a low income and residents of the City of Norwich, Catton, Corpusty, Costessey, Hellesdon, Sprowston or Thorpe St Andrew.

### **How do I make an application?**

You should telephone, write, e-mail or visit our shop in person in order to make an appointment. See the addresses and telephone number overleaf.

### **What is the income limit above which I shall not be eligible for either a school uniform or residential visit grant?**

The Trustees have decided that the 'gross' income limit for a family is £575 per week (£29,900 a year). Your income is made up of any benefits you may receive including Housing and Council Tax Benefits, salary/wages, child maintenance, etc.

### **Who will see the information I give you?**

The information you share with us is strictly confidential. We will enter it on our database. It will be seen by the 4 Grants Officers and other senior staff. A summary will be shown to the Trustees but only when they need to make any decision concerning your application. The Charity has a strict policy on confidentiality which all the team must follow.

### **Do I have to come to the Charity's shop?**

It is usual, if you are contacting us for the first time that we make an appointment for you to come to the shop and see us. However, if you have a serious disability which prevents you from coming to us, we would be pleased to come to you!

### **Why do I need to be seen in person?**

We have found that it is easier to obtain the information we need by meeting you. It avoids asking you to send us original documents or even photocopies. Also if there are queries or you are not sure what information we need, we can sort that out on the spot.

### **Is it worth applying for a grant?**

Grants for school clothing vary according to your financial circumstances and the age of your child - from £30 to £140 per child.

### **How will the grant be paid?**

You will receive personalised vouchers, looking like cheques, to 'spend' at the School your daughter or son attends or at a wide range of other major local shops.

### **Where is the Charity's shop?**

Our shop is at 1 Woolgate Court, St Benedicts Street, Norwich, opposite the junction of Ten Bell Lane and next door to Norwich Art Centre. Our shopfront says 'Norwich Charitable Trusts' because we are a Group of Charities.

### **How can I get there?**

You can reach our shop by **bus** – getting off at Dereham Road, near Grapes Hill or Westwick Street. There is also a pay and display car park behind the Cathedral Retail Park. The shop is a 5-minute walk from the City Hall.

### **Who will interview me? How long will it take?**

The interviews are carried out by one of the four experienced Grants Officers, in a private interview room. The interviews usually take about 15-20 minutes.

### **Is the Shop accessible for disabled people?**

Yes! There is disabled car parking on St Benedicts Street immediately outside the Shop. There is level access to the shop from the street and the interview areas and toilet are on the ground floor level have full access for people with a disability.

### **Do I need to be able to read or write to apply?**

No - the Grants Officer you meet will be able to help you to make your application.

### **May I bring a friend?**

You are very welcome to bring a friend or other member of your family, including your children of course! We have baby changing facilities too!

### **What other grants might I apply for?**

We also make grants to help with the cost of school trips, university or college studies. We sometimes consider applications to help in other ways too. Do ask us for details!

**If you have any queries, do contact us for an informal chat! We want to help to make a difference!**
